We're Flying High Over...

Special Topics We're Studying

***In math we have finished Topic 17 which was about Subtraction Facts to 18. Now we are working on Topic 18 which is about Data and Graphs.

***Practice saying the greater number. Our spring goal is to be able to say **29 numbers** in one minute.

***Continue practicing addition and subtraction facts. Our 4th quarter goal is **12 facts** in one minute.

***Continue to have your child practice recognizing coins, telling how much each one is worth, and counting change up to \$1.00.

***Practice telling time to the hour and the half hour on analog and digital clocks.

***We are learning about taking care of the earth for unit time this week.

Specialist schedule:

Next Week...

Remember to have your child work on their **May book log**. Remember to work on your child's **May math calendar**. Practice saying the greater number, complete the addition and subtraction timings that are sent home every Friday. Do the math homework and play the math games that come home with each newsletter. They all count for math minutes. **Both are due at the end of the month.**

Homework is attached. Return it by Wednesday. Newsletters and homework can be found online at mrsosterdyk.weebly.com

Please have your child dress for the weather. We go outside everyday unless it is raining.

**Just a
Reminder**

Show and Tell will be on Fridays. Please call or send a note if you want to share a pet.
